12 |

```

⑥ Help

```

1 public class Main {
2
3     public static void main(String[] args) {
4
5         System.out.println(" ");
6         System.out.println(" ");
7         System.out.println(" ");
8         System.out.println(" ");
9         System.out.println(" ");
10        System.out.println(" ");
11        System.out.println(" ");
12        System.out.println(" ");
13        System.out.println(" ");
14        System.out.println(" ");
15    }
16 }

```
